**ZCC - Prayer for Israel and the Middle East – Detail  
For those involved in the wars – America, Iraq, Israel & Lebanon**

*"Arise, cry out as the watches of the night begin; pour out your heart like water in the presence of the Lord." Lamentations 2:19*

*"Hear my prayer, O Lord; let my cry for help come to you." Psalm 102:2*

*"He is a shield for all who take refuge in Him." 2 Samuel 22:31*

*"But you Israel My servant, Jacob whom I have chosen. Descendant of Abraham My friend. You whom I have taken from the ends of the earth, and called from its remotest parts, and said to you, You are My servant. I have chosen you and not rejected you. Do not fear for I am with you. Do not anxiously look about you for I am your God. I will strengthen you surely I will help you. Surely I will uphold you with My righteous right hand." Isaiah 41:8-10*

*Psalm 91, Psalm 83*

**Come Holy Spirit:**

That God would pour out His Spirit to save and comfort all.

That the Name of Jesus would be lifted up as a beacon of light in the darkness of the current situation. That many would come to accept Messiah, Jesus as Savior & Lord.

That God would raise up intercessors who will pray in the Spirit and with understanding

That Praisers would take the front line positions in the fight

That God would call send vessels of mercy and many workers to bear up this mission field

**Give us Understanding**

That the Body of Christ would study to show itself approved in the current issues that face our world in this war on terror and the opposing force of Islam.

That Islam would be identified as the Godless, anti Christ religion and opposing force against the gospel and the world that it is.

For the walls of bondage and deception to come down so that gospel may reach those in the grip of Islam.

That the "Jihad" doctrine of Islam would be clearly revealed – that it's world dominating goal is accomplished thru the murder of any non (devout) Moslem.

That "Hezbollah" meaning "party of God" would be understood and exposed as a dark evil force of Satan

### **Empower**

That God would strengthen the good to stand and overcome evil.

That Israel and the US allied forces would be victorious

That God would send those to hold up the arms of the leaders - both in the church and in the US & allied military forces and in the Israel military (IDF) Defense Forces

That the enemy would be cut off at the head, crushed underfoot.

For the enemy to be confounded even as they were in the days of King David

For God to supernaturally give military wisdom to the US (allied) & Israeli military leaders

That propaganda would be opposed and of no effect

Give wisdom to the military leaders making critical strategic decisions and policies

### **Give Discernment**

That the devices of the enemy would be revealed to those on both battlefields, in the spiritual and natural war fronts.

That the motives and lies of propaganda would be revealed

### **Spare the women and children**

That they would stop being used as human shields

That sacrificing children in Jihad, which is the spirit of Molech (children were burned and offered to this ancient pagan god), would stop

That the oppression of women in Islam would end

For the children who are being indoctrinated with evil hatred for Israel and the west by militant fascism and religious fanaticism.

That the lie and evil of Jihad –Holy war of Islam would be crushed and not take root in them.

### **Protection**

Cover the Israeli and US allied troops on the front lines and in the war theatres

Put shields around them

Be their banner

Supernaturally heal the wounded

Provide abundant provisions in the field –food, equipment, artillery, bibles, comfort

Give them anointed chaplains and send brothers in arms to each other to rescue, care for and support each other

Immediate medical aid in abundance and efficiency

### **Soldiers and their Families --**

That God would be their comfort and strength

That He would comfort them in their separation and loneliness,

Calm their fears,

Console them in their sorrows,

Draw near to those who are mourning,

Strengthen them while apart,

Give courage in the battlefields at war and at home,  
Make them men women and children of prayer,  
Open their hearts to hear you calling and your comforting words,  
Send financial provision,  
Send friends to stand in their times of need,  
Send Believers to them,  
That Jesus would be revealed to them and salvation would come to their house  
**SEE ATTACHED OPPORTUNITY TO BLESS SOLDIERS AND LAMENTING  
FAMILIES IN ISRAEL**

### **Israel**

*"Save us, O God our Savior; ...deliver us from the nations that we may give thanks to  
your holy name" 1 Chronicles 16: 35*

**That she would know her Messiah. That hearts would soften to the gospel, that eyes  
would open and veils be removed to see Jesus. That the Lord would rise up friends  
for Israel and many who would pray for her. That the Lord would send Watchmen  
to stand watch upon her walls day and night.**

For continued national strength and unity  
For military genius  
For supernatural economic strength and recovery  
For agricultural, industrial and tourism industries to rebound and be rebuilt quickly.  
For friends and spokesmen for of Israel to be raised up  
For America to remain allied  
For Alliyah to increase (return of the dispersed Jewish People to their homeland)  
For the God of Israel to be lifted up as their testimony  
For Jesus to be accepted as Messiah

#### **For America**

*“If my people shall humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and heal their land.” 2 Chronicles 7:14*

**For revival to come to America. For Christians to take a stand on all fronts leading by example and remembering to be diligent in prayer for our nation, and our leaders. That the heritage of our fore fathers would be known and renewed in government, and among the people.**

#### **Pray for our President** (see article attached)

That in spite of the constant vicious criticism he remain strong and above all that God would refresh him and the first lady with moments with Him. That Jesus, the Light, would illuminate their way and that they would maintain a continued testimony in Christ that would as seeds, be sown in our nation bearing much fruit for the gospel in the generations to come. That he not waiver in **his stand with Israel.**

#### **America’s Leaders:**

Praise God for the thwarted terrorist attack on planes traveling from London, Americans faced the reality that many could have died on those planes. Thank the Lord for the good work of officials in the U.K. and U.S who foiled the attempt, and pray that **our intelligence agencies** would remain one step ahead of any and all future attempts by terrorists. Ask the Lord to grant wisdom to America's leaders as they attempt to facilitate an end to the war in Lebanon.

### **US Military:**

Pray for safety and abiding peace for **our military servicemen and women** as they work to protect the freedom and liberty that make America the precious land that it is. Pray especially for our troops in Iraq, Afghanistan, and other parts of the Middle East.

For comfort and strength for **military families** who are lonely and bereaved over lost loved ones.

For many to have a burden to defend our nation and fight for freedom **enlisting in the military.**

For **wisdom for the military** to supernaturally make decisions beyond their abilities because of the intervention of God. That **the enlisted and serving men and women** would perform uprightly as a testimony to our nation's integrity and to Christian principles. That **none would fall to devices that would give America a bad testimony** among the nations. That **Chaplains would undergo revival** and bring it to the troops who will in turn bring the fire home to friends and families. For **strength and fortitude** for the military and government officials to carry out their mission to completion **leaving the middle east more secure without as much threat to freedom and the spread of the gospel.** That **every Christian servicemen/women would be effective and opportune in sharing their faith** and testimony to brothers in arms and to the enemy.

### **The People**

That we be united at home but become globally minded to help bear up our nation's leadership as they work to meet our international responsibilities Pray that God help us to pursue knowledge so that we can "voice" our opinions intelligently and with understanding as we exercise our freedom of speech. May this be so regarding international issues and our dealings abroad especially in relationship to the current wars in the Middle East.

### **For Lebanon**

**The Lord would bind up the wounded and Salvation would come to hearts of the Lebanese people. That Hezbollah (and all terrorist factions) would be cast out of Lebanon and she be allowed to rule her people independently and righteously.**

For the wounded, the fearful, the refugees: that they would know rescue, aid and be comforted

The children under the grip of Islam - to be free from bondage to the spirit of hatred and war (Jihad). That the truth would be revealed and they be set free

The government: to escape the oppression & rule of Hezbollah and be established, independent and free to rule their own country.

For the defeat of Hezbollah and that they would be driven from their land

For them to be delivered from hatred toward Israel and the Jewish People

For them to see that true peace is offered to them on their southern border by Israel

### **For Iraq**

**That the Iraqi's would see the truth and purpose of the United States to help establish a free and just government for the people. That (good) western values would impact the people and the evil spirit behind Islam would be rejected and Christianity embraced as a result of the aiding presence of our troops.**

That the good will overcome evil in the civil war  
That America would remain strong and help establish democratic government helping the weak and finish the job  
That America would stand behind the work to finish it  
That many would pray for a quick resolve and an end to the war  
That the Christian population would be supernaturally sheltered and grow in numbers and in strength  
That freedom would take root and reign

### **Intercessors Corner**

To pray for sincere heart of repentance before the Lord putting down and put behind those things which doth so easily best us. To commit our lives as living sacrifices unto the King. to be ready, pray to be ready. To set aside the unimportant (things, people, positions., etc.) and live today for Him. Claim our households for God. To continually give the message of love and salvation to others, not being ashamed of the gospel, for the time is short, there is no time to worry about offending our loved ones who are not walking with the Lord.

To lift up the name of the Lord as a high banner that our loved ones and friends will see His Name and will run to it while they can.

To cry out before the Lord, before the Lord God of Israel who is the creator and is the beginning and end, alpha and omega. There is none before Him, who is like Him? Every nation will be judged. Pray that the Lord God of Israel will have mercy on our nation who has been so blessed. Cry out to God for mercy on the young, the fatherless and widow, the weak.

Pray that God will send and protect the watchmen who guard the borders of Israel.

That many intercessors here and around the world would raise from their sleepiness and our daily tasks to lift up before him the house of David. Israel. That the ideas of the enemy would be confused then exposed.

Pray for wisdom for the leaders of the nations who stand with Israel. That God would raise up in the four corners of the earth representatives to stand for His name and for his land Israel and his children the Jewish people. That God would use to break down the strategy of the enemy. That Satan's ideas of deception would be obvious. Claim our rights as children by adoption.

Pray for America. Pray for our leaders that God would keep him from harm. That the president would not think twice about standing with Israel but would say yes

Pray that our nation would come to repentance and admit our ways of greed and pride in the world. That we would fall on our faces before God and listen to Him.

Pray that we would be ready. Our hearts would be made ready for His move across our nation for His quick sure move. Pray we would not compromise or become complacent or indifferent to the works of the evil one. Pray we would always be ready with an answer to give.

***Pray that...***

*Watchmen (Intercessors) will be set on the walls of Jerusalem both in Israel, the US and around the world.*

*The Lord would provide divine intervention in this situation – that Hezbollah would back down in fear and reverence of the God of Israel as in the days of Abraham, Isaac and Jacob.*

*The women and children that are not a part of this situation would be protected and put of harm's way.*

*Our Messianic brothers and sisters and other Believers living in Israel would be protected, but also would be given opportunity to share with their friends and family about Jesus Christ as the Messiah (Yeshua Hamishia – sp??) and that they would be saved.*

*Those in the hospitals, those that have lost a loved one and those that have family in the military would have peace and comfort at this time and their needs be met physically, emotionally and spiritually.*

*The young men and women that may have to be called up to fight have strength and courage to do so.*

*Those that have traveled there as tourists during this time would be protected throughout the land and be a blessing to those in the Land of Israel showing solidarity with them.*

*Those that make a living in Israel in the tourist industry would have provision by tourists continuing to travel so that they will be able to care for their family's needs.*

*The airlines, travel agencies and tour operators would have the most up to date information and answer questions accurately to assist those that are traveling during this time. Those that are scheduled to travel soon would have faith to continue to travel and show their solidarity with Israel and the Jewish People.*

***Praise the Lord -- We know that the battle belongs to the Lord and we trust that none can stand against God, His will and his Chosen People!***
