

## **FOLLOW THESE GUIDELINES TO INSURE PROPER RECEIPT OF YOUR SUPPLY DONATIONS:**

**1. MEDICAL SUPPLIES / EQUIPMENT:** Send a listing to the Jerusalem offices by fax, e-mail or post with the information requested in 'a-c' below. Wait for a reply from Jerusalem before shipping to a depot. After receiving confirmation from the Jerusalem offices, please include copies of the inventory inside your parcel(s):

**a. WHAT IT IS MADE OF?** Information regarding what each item is made of: Israeli Customs requires an official Production Certificate for each item due to commercial trade agreements. (available from medical suppliers)

**b. WHERE IT WAS PRODUCED?** Information regarding where the item was produced: Possible taxes incurred (up to 12%) on certain items dependent upon in which country they were made.

**c. MANUFACTURERS / DISTRIBUTORS CATALOG?** Catalog(s) from the companies which produce the items would be most helpful for the Customs Authorities.

### **2. CLOTHING:**

**a.** Please carefully sort and pack only clean, good quality clothing. Any price tags, etc. should be removed ahead of time.

**b.** No shoes, please - shoes do NOT qualify as used clothing with Port & Customs Authorities.

**c.** In addition, household items, fabric, yarn, jewelry, bedding does not qualify as used clothing when coming in bulk quantities.

**d.** The above items in points b & c may be hand carried into Israel by those coming with tour groups.
